What We Do

The SDVEC acts as a “clearing house” for questions, complaints and community recommendations concerning the overall effectiveness of the employment services provided to San Diego County veterans.

We provide a “last resort” source of funds for any qualified veteran in need of financial assistance when offered employment.

We present an annual Veterans Job Fair to introduce employers and veterans to each other.

This event is open to the general public and is free to all SDVEC sponsors, member organizations and businesses.

We promote the use of EDD and CalJOBS system as a resource to enable employers to locate qualified veteran employees.

We give public recognition to employers, companies and agencies that have policies for actively recruiting veterans into their workforce.

EMPLOYMENT ADVOCATES

The Veterans Employment Committee of San Diego County is dedicated to serving disadvantaged veterans and transitioning military members of all branches of service, by providing assistance to remove barriers that may prevent them from obtaining life-sustaining employment. The committee believes that it is more benefiting to the veteran as well as the overall society to provide the veteran a hand-up not a hand-out thus preventing possible long term unemployment and homelessness.
