Committee
Of San Diego County

The Veterans Employment Committee of San Diego County is dedicated to serving disadvantaged veterans and transitioning military members of all branches of service, by helping remove barriers that may prevent them from obtaining life sustaining employment. The committee believes that it is more benefiting to the veteran as well as the overall society to provide the veteran a hand-up, not a hand-out, thus preventing possible long term unemployment and homelessness.

"Together, we can make a difference and bring positive change to the lives of our Nations Hero's who are in need."

Dancing Veterans San Diego, a 501(c)3 non-profit founded in 2021, originated on the principle of aiding veterans and service members with utilizing the creativity and freeness from dancing as a means of handling and coping with their brain injuries and post-traumatic stress disorders. Additionally, through regular meet ups varying in class or social dancing setting, our goal is to reestablish healthy community amongst our veterans and service members, leading to healthy habits and growth individually and as a group.
